## OFFICIAL CAMPAIGN

### FIRESTORM WARSAW

THE CAMPAIGN FOR WARSAW 1944

On August 1, 1944, at about 5:00 pm, I heard machine guns and grenades exploding. From my balcony at 28 Kopernika Street, I saw the attack on the [Warsaw] University. The boys positioned themselves along the street; the girls were delivering weapons and ammunition.... The first days of the Uprising were successful, and we were given hope. Free Warsaw!
