NAME: "MAGPIE" WEBSTER

FACTION: Bannson's Raiders DOB: 09/05/3108
REGIMENT: The Band of Five HAIR: Blonde
VEHICLE: Fox Armored Car EYES: Blue

"Magpie" Webster – like so many in the Band of Five, her first name is unknown – received her nickname because of her love of shiny things, be they weapons, knives or coin (preferably gold and jewels). Her baby blue eyes, blond curls and girlish laughter when she spies something shiny and new belie the fact that she'll slit your throat as soon as look at you. Members of the Band of Five are generally vicious, mean-spirited, and belong behind bars, but "Magpie" is a surely a special case. Our profile suggests that if not for the

sister-like companionship of "Dagger Di" Jones over the last year or more, "Magpie" would surely have become an indiscriminate murderer by now. As it is, she is merely a sly, selective killer, pushing her opponents to death when injury would surely have made her point. That such a demon lurks behind her child-like eyes and looks often leads people to underestimate her.

Unlike many in the Band of Five, her total lack of conscience would be useful for the Order, and so an attempt at subversion has begun.

Commentary:

The Fox Armored Car was designed as a forward observation vehicle that would have the armor to survive several enemy strikes, but would have the speed to quickly relocate or engage in a tactical withdrawal; its paired machine guns and medium laser simply keep the enemy ducking while it slips away. Though its extra-light engine drastically increases the vehicle's cost, its top speed of almost two hundred thirty kilometers an hour more than makes up for its steep price tag.

This particular design was made famous when Jacob Bannson himself wanted to survey a valley before an impending conflict, one of the first such conflicts to occur following the fall of the HPG net. A small detachment from the Amaterasu of the Dragon's Fury stumbled upon the vehicle, and a two-hour chase finally allowed the vehicle to elude its pursuers and escape. This led its current pilot, "Magpie" Webster, to name the vehicle "Dragon's Bane."
