Fetladral is one of Galaxy Commander Kal Radick's most ardent supporters, embracing wholeheartedly his belief that the Steel Wolves should return to their roots with Clan Wolf as Crusaders once more. Her support, however, is that of a devoted subordinate, rather than one who feels her way is the right way. Despite her admirable traits, Fetladral is remarkably simple minded in matters of strategy and politics, giving her loyalty to whoever is in charge. That person is presently Kal Radick, but it would be interesting to see where her loyalties would shift should Radick fall from grace.

## Commentary

Clan Jade Falcon designed the *Cougar* as a weapon-heavy alternative to their infamous *Adder* design (known among Inner Sphere warriors as the *Puma*). First revealed in the Battle of Coventry, *Cougars* soon began to appear in large number among the Falcons' front-line forces, and eventually proliferated through Trials against Inner Sphere and Clan opponents to appear in other armies.

Serial number JF4914-75A actually served with Jade Falcon troops that assisted the liberation of Coventry from Blakist forces during the Jihad, then accompanied allied troops to liberate worlds closer to Terra. Devlin Stone's forces claimed this 'Mech after the brutal fighting for Rigil Kentarus, when it was discovered among other battlefield salvage near the city of Mesopota. In battle, Fetladral favors using this 'Mech's missile launchers instead of its inaccurate and ultrahot heavy lasers, keeping her heat levels low and hammering her opponents with well-aimed and dogged missile volleys.

A trueborn MechWarrior, bred and trained for her role, Gwin Fetladral possesses a keen tactical mind that has saved her and her pursuit Star time and again, and brought her victory in countless Circles of Equals. Her superb martial skills, both in and out of the cockpit, combined with enough drive to succeed, allowed her to win her Bloodname at the early age of 25. Yet it seems that as soon as she accomplished that feat—the life goal of any trueborn Clan warrior—any remaining ambition, aside from dying a glorious death in battle, seemed to melt away.
